

Classic Margarita

1.5 oz tequila
1 oz lime or lemon juice fresh squeezed
1/4 oz agave nectar
2-4 oz sparkling water
1 cup ice

Salt the rim of the glass. Fill glass half way up with ice.
Add a couple pieces of ice to cocktail shaker.
Add the tequila, lime juice, and agave nectar & shake
40 times. Pour into glass & add sparkling water. Stir
and enjoy!

*If you prefer more sweetness, add more agave nectar.
Don't have any? Make a simple syrup over the stove with
water and sugar instead.

*1/2oz triple sec can be added if you like.

*I usually use La Croix lime for my sparkling water and add
until desired taste but any bubbly water will do!
